Meeting Musings 231101

Thank you to those in attendance for making the meeting happen, with both the President and Secretary away it is reassuring to know that we are both dispensable.

Welcome to Francis and Elizabeth as guests, I believe they were well looked after and enjoyed the fellowship. Francis is a past member of the Woodend Rotary Club and they have lived in town for a few years now surviving the evacuations of the 2019 fires and then Covid lockdowns. Time to gat out, meet the wider community and possibly join in as volunteers. The invitation to the Race night next week has been extended to them.

Swap Meet – thankyou Alan, (Sam and Richard) for all the effort put in so far; now it is up to the rest of us to put on Sunday and make this a great event. It could become Myrtleford Rotary’s signature event with a bit of a push.

Race Night – come dressed for the “birdcage” and enjoy a joint Rotary/Lions get together having a bit of fun and raising funds for worthwhile causes. It is a 6:30 for 7:00 start, bain marie dinner, race scheduled for 8:20 and correct weight announced at about 8:30.

Check the calendar.....AGM on the 15th of this month and then Senior Cits dinner on the 22nd.

Spend some time considering Evan’s proposal of a golf frisbee park on the large area of grassland along the Mosaic Trail just over the swing bridge from Rotary Park. A great idea and one that we could possibly target fundraise for. More discussion at our next meeting.
